Yellow Thunder Amateur Radio Club
Sunday Night Net Preamble and Script

Good evening and welcome to the Yellow Thunder Amateur Radio Club Sunday Night net.
We meet every Sunday evening at 8pm here on the 147.315 repeater WB9FDZ.

My name is _____ and my call is _____. I'm located in _____ and I'll be you net control this evening.

Before we begin are there any stations with emergency or priority traffic.
…………….

After check-ins and announcements we'll have this week's edition of ARRL audio news.
We'd like everyone to know that you don't have to be a member of the Yellow Thunder Amateur Radio Club to participate in this net. All radio armatures with VHF privileges are encouraged to check in.
If you have traffic for the net, please indicate traffic when checking in.
Traffic is not limited to but should be anything armature radio related.
For instance, if you are selling an item, looking for an item, or need help with project, please let us know if you have traffic

If you wish not to participate in the round table discussion please indicate **for count only** when checking in.
If you're just checking in and out of the net please indicate **in and out** when checking in.
As always we'll take check-ins in alphabetical segments according to the first letter in the suffix of your call sign.

We'll start off with A alpha through D delta. Taking check-ins now for the Yellow Thunder Amateur Radio Club Sunday night net in the segment A – Z. This is _____
E – J
In that segment we picked up ………………….
Any other stations in the segment x – x
K – O
P – T
U - Z
Open up to stations anywhere in the alphabet A alpha through Z zulu. This is _____ for the Yellow Thunder Amateur Radio Club Sunday Night Net.
