

## Sauk County ARES/RACES Net Preamble

Good Evening, and welcome to the Sauk County ARES/RACES net. We meet here every Sunday night here on the 147.315 repeater at 7 pm. My name is: \_\_\_\_\_ and our ARES call is **KC9MIO** and I will be your net control station this evening. Before we begin, are there any stations with EMERGENCY or PRIORITY traffic. Please come now.

*(pause about 1 minute for any traffic)*

Hearing none we will continue. The purpose of this net is to provide a meeting place to pass any information or answer any questions our members or friends might have. You DO NOT have to be a member to check in, ALL hams are welcome.

This net is directed. When you check in please give your call, name, city and whether or not you have traffic.

*(Begin with Sauk county members first by doing a roll call. See list below)*

*(After roll call, open to non members to check in.)*

At the conclusion of the net, be sure to clear with YOUR callsign!

Say: This is (your callsign) signing KC9MIO for the Sauk County ARES/RACES Net.

*(After the net, please send myself a copy of the check-ins to my email address.)*

*(Thank you. I hope to hear you on the air. I will appoint someone periodically to run the nets just so everyone gets practice. Don't worry about making mistakes, it is TRAINING. That means we are bound to make mistakes. We just need to learn from them.)*

Thanks, 73

Rick, N9ROY
